

Questions for Discussion

1. What did the speaker say? What did you hear?
2. Why did the speaker say it?
 - Why did the speaker think it was important?
 - What were they trying to achieve? What was their strategy?
 - What did they mean? Why do *you* think that's what they meant?
3. Make a note of your personal takeaways or anything else you may want to take up later in Phase 2 of the Consultation.
